

BOY SCOUTS TROOP 356, CENTEREACH NY

Dear Scouts and Families,

Our Annual "Mother's Day Plant Sale" is now underway. This year, we are only Pre-Selling the plants from **March 20th through April 10th**. I cannot accept orders later than April 10th. **Orders must be submitted on time. They will not accept anything past the due date!**

To get us started, i've attached a pre-sale sheet. Everyone is required to sell at least 5 items. If 5 items are not sold, a \$40 buyout is required. **You will earn credits on all plants you sell, only if you meet the requirement of 5 items sold. So the more you sell, the more credits you will earn.**

The pre-sale sheet is broken down by size of the planter, types of plants and color. Please mark down exactly what the customer asks for with a number. For example, the customer orders 1, 10" hanging basket Ivy Geranium Lavender. Put a "1" in the spot under that column. Please don't use a check or an X, this will eliminate confusion.

The order sheets must be back by April 10th's meeting. Full payment is expected at the time of the order. Checks should be made payable to **Troop 356**.

Deliver will be on friday, May 11th between 3-4pm. Pick up time will be announced. If for some reason you will not be available to pick up your plants, please make arrangements for someone else to do it. We have no storage for these plants!

You can view and print pictures of the plants on our website www.bsa356.com. If you have any questions, please call met at (631)766-9771.

Thank you,
Linxiu Song
